

**2020**

This has been a year of uncertainty and sad times but also some good times. So many events have been canceled due to COVID-19 and unfortunately the opening ceremony, parade and special events hosted by Pekin Winter Wonderland will also be canceled for this Christmas season. Because our usual events have been altered or canceled, we feel it is even more important that we carry on the tradition of the beautiful trees in the park at Christmas. This tradition is an event families and businesses can do while still social distancing and being safe.

We would like to ask that your business continue to sponsor Pekin Winter Wonderland with the sponsorship of a tree for the holiday season. We hope to put some additional beauty to Pekin with all the lighted trees.

*Thank you for your support of the Pekin Winter Wonderland Festival. Your generosity is appreciated.*
