

2021

This has been another year of uncertainty and sad times but also some good times. So many events have been canceled due to COVID-19 and unfortunately Winter Wonderland has had to scale back some activities. The Winter Wonderland parade will be held as usual the Sunday after Thanksgiving. The candy cane hunt will be held in Mineral Springs Park on that same day and there will be fireworks at dark. The Lions Club will be available for food however the Pavilion will not be open for hot chocolate and cookies. As of now we are uncertain about Santa Claus but working on it. The balloon man will be in the Pavilion also and the Gingerbread House will be held as a drive-thru event.

Even tho we have all had another tough year, we feel it is important that we carry on the tradition of the beautiful trees in the park at Christmas. This tradition is an event families and businesses can do while still social distancing and being safe.

We would like to ask that your business continue to being a part of Pekin Winter Wonderland with the sponsorship of a tree for the holiday season. Our costs have risen tremendously and due to a shortage of availability of larger trees, all trees will be the 6ft trees but business sign will state you are a business sponsor along with your company name.

Thank you for your support of the Pekin Winter Wonderland Festival. Your generosity is appreciated.
